EDUCATION

Thapar Institute Of Engineering And Technology, Patiala

B.Tech in Computer Science Engineering
(2024 – 2028)

St. D.R. Public Sr.Sec.School Gagret District-Una,Himachal Pradesh

Activities and Societies:

Member at TMS(Thapar Mathematical Society)
Member at LEAD Society

COMPUTER SKILLS

C
C++
Python
Frontend development
Backened(Flask,Sqlite)

PROJECTS

https://github.com/VanshikaSohal/Sorting-Algorithm-Benchmark/tree/main

Sorting Algorithm Benchmark
This project benchmarks Bubble Sort, Merge Sort, and Quick Sort using Python. It measures and compares their runtimes on arrays of different sizes. The results are visualized using Matplotlib in a bar chart.
Useful for understanding time complexity and real-world performance differences..
